

Leader Consent Form

As an eCamp Committee we rely on the Key Leader of each Church group to be responsible for the leaders they bring. To help you out we have put together a list of expectations in the Leader's Booklet (Page 7). Please go over this booklet with **all** your leaders, sign this form and return to Naomi with your registrations or when you register at camp. We also ask that you ensure all your leaders attend the leader briefing meetings at camp.

As the Key Leader of _____ (Church/Group name)
I have read and understood the expectations of eCamp. I have read through the Leadership Booklet with my leaders and believe all my leaders will uphold the expectations of eCamp and Finlay Park. I am happy for the committee to speak to me if they have any concerns about my leaders.
